Subject: Development of the Level II PRACA Methodology requirements document for the Constellation Program.

Task Description: HEI will provide Lead support for the development of the Level II PRACA Methodology requirements document for the Constellation Program. HEI will also provide support as a team member for the development of the PRACA System Requirements document (PWS 5.5.1).

This is considered a Special Study Technical Directive, pursuant to article H.7 of the contract entitled "Special Studies," subject to the following conditions:

This direction is consistent with the general scope of work set forth in the contract, does not constitute new assignments of work or change to the expressed terms, conditions or specifications incorporated into the contract, and does not constitute a basis for any increase in the contract fee or extension to the contract fee or extension of the contract delivery schedule. (b)(4)

(b)(4)

In the event of any exception, proceed with work under this directive, but promptly notify the contracting officer in writing within ten (10) days. Failure to notify the contracting officer will constitute acceptance by the contractor of the technical directive and all the conditions pertaining to its issuance.

The technical directive does not increase or obligate any additional funds for performance of the contract scope of work; therefore, nothing contained herein authorizes your incurrence of costs in excess of that presently authorized by the clause of this contract entitled "Limitation of Government's Obligation, or "Limitations of Cost," as applicable.

Deliverables:

Requirements applicable to the Level II PRACA Documentation.

Duration: Task effective through September 30, 2006

Report Progress To: S&MA Leads

Frequency of Report:
As required
